¹ This table shows destinations that receive shares of total exports greater than or equal to 5 percent of each commodity in either 2012 or 2013 for which reliable data are available. The commodities are listed alphabetically and the numbers in parentheses correspond to the 2013 ranking in Table 1 "Agricultural Commodity Export Values and Rankings, 2011-2013."

² Accurate export destination data are only available for 50 of the top 57 commodities. The commodities for which export destinations are not included are apples, chickens, eggs, mushrooms, seeds for sowing, turkey and wheat.

³ Values were revised for 2012 based on updated production data from the U.S. Department of Agriculture/National Agricultural Statistics Service.

⁴ Hides and skins are included in the heading "Beef and products" .

⁵ 2012 Dairy export estimates were revised based on updated estimation methodology.

⁶ Product category "Olives and olive oil" is equal to the product category "Olives and products" found in previous years' data tables.

⁷ Raspberries and blackberries category also includes exports of mulberries and loganberries.
